zuhair sirryeh

Date of birth: 10/09/2004 | **Nationality:** Palestinian (Autonomous Palestinian Territories) | **Gender:** Male | **Address:** Lebanon (Home)

EDUCATION & TRAINING

03/10/2022 - 12/08/2025 - SAIDA, LEBANON

BACHELOR OF SCIENCE IN COMPUTER SCIENCE- LEBANESE INTERNATIONAL UNIVERSITY (LIU)

- Core concepts of Computer Science including algorithms, data structures, and problem solving
- Software development using HTML, CSS, JavaScript, and PHP
- Front-end development fundamentals and user interface design
- Backend development concepts and database management using MySQL
- Introduction to software engineering principles and system design
- Basic foundations in Artificial Intelligence and data-driven systems
- Academic projects involving web applications and API integration

Level in EQF: 6

19/01/2026 - Current - SOUTH LEBANON, LEBANON

INTERMEDIATE FULL-STACK DEVELOPMENT PROGRAM- DIGITAL HUB – UNRWA

- Full-stack web development (frontend and backend)
- REST APIs and database integration
- Practical problem-solving and algorithmic thinking
- Git version control and collaborative development
- Introduction to system design and scalable applications

Level in EQF: 5

WORK EXPERIENCE

01/09/2025 - 01/01/2026 - SAIDA, LEBANON

WEB PROGRAMMER OCTA SOLUTIONS

- Developed interactive user interfaces using React.js
- Built reusable frontend components and managed application state
- Integrated frontend applications with backend APIs
- Worked with HTML, CSS, JavaScript, PHP, and MySQL
- Collaborated with a professional software development team
- Applied logical problem-solving and debugging skills
- Gained practical experience relevant to software engineering and AI-based systems

SKILLS

Problem Solving | Algorithms | Data Structures | Software Development | Web Development | Front-end Development | Back-end Development | Git | Python | SQL | HTML | JavaScript | API Integration | CSS | Artificial Intelligence (Foundations) | Object-Oriented Programming | JSON | Postman | REST | RESTful api | js

LANGUAGE SKILLS

Mother tongue(s): **ARABIC**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	C1
